Amsterdam 23rd – 24th May 2017 Dorint Airport Hotel Amsterdam

■ Registration Form:

Please register [here](#) for your general attendance in the SCC (SELECT Certification Center) . Under this link you will always find the latest version of the full agenda.

Each workshop day will feature three 90-Minute workshop sessions. You must choose what days you want to attend: Tue, 23rd May Wed, 24th May

Fujitsu will pay for your hotel accommodation for **up to two** nights. Please choose:

I need a room for: Mon night Tue night Wed night I don't need a room

Time of arrival@hotel: _____ : _____ Time of Departure from Hotel: _____ : _____

Dietary comment: _____

We will try to offer as many of the 11 Workshops as possible on both day, but the number of available sessions will be optimized according to the participants preregistrations. Therefor, **we will send you a separate communication with a workshop cherry picklist** given you a detailed overview of all speakers and workshop sessions available.

For each day attended, we will grant you 1 certification point for each of these four curriculums in the SCC (SELECT Certification Center): SELECT Expert for Advanced Server Systems, SELECT Expert for Virtual Client Computing, SELECT Expert for DataManagement, SELECT Expert For DataProtection. **You will receive 4 Points per curriculum if you attend all three days.**

After the workshop, your company will receive an invoice of **111 Euros** (excl. VAT) workshop fee for **each day** you have attended.
